

# Welcome

Let us take care of your loved one as they should be cared for.

**Sultan Adult Day Health Care** believes in the importance of health and wellness in one's life. From brain processing as a thinking tool to actions of the body that realize human thoughts by doing things, the capacity of an individual to make these processes possible is dependent on his or her health condition.

**Sultan Adult Day Health Care** is proud to bring you the best healthcare facility that focuses on the health and wellness of our participants. We promote optimal health and mental well being for our participants. We comply with their physician orders, treatment plans and offer support for the caregiver, in a compassionate, enjoyable setting with activities and programs for productivity, self-worth, and socialization which are essential in building self-esteem.

**Sultan Adult Day Health Care** is more than a day care center. We take great pride in making your loved ones as healthy and as fit as they could be as we forward their welfare with dedicated and excellent care and attention.

# Who We Are

Benefits of our Health Care program include:

- Nursing, Health Care monitoring, rehabilitation, and exercise
- Medical supervision for all participants
- Opportunities for social interaction with peers

We understand the unique and varied needs of each participant. An individual has needs that are in accordance to his or her health condition and the symptoms it brings. Therefore, the kind of care they should be given should incorporate all the necessary aids to make sure they are well-treated and appropriately attended. Who is eligible for **Sultan Adult Day Healthcare Center**:

- Adult that is 18 years or older, with a medical condition requiring treatment or rehabilitative services prescribed by a physician.
- Physical or mental impairment which handicaps activities of daily living.
- Reasonable expectation that preventive services will improve or maintain present level of functioning.
- Likelihood of deterioration of individual's condition leading to institutionalization without ADHC services.

**Sultan Adult Day Health Care** is committed to enhancing the lives of senior adults through therapeutic activities and health-related services, and to providing the respite caregivers need to sustain them.

At **Sultan Adult Day Health Care**, we provide personalized care and attention that are fitting to your loved ones condition. We see to it that they get what they need through our individualized programs that are ideal to special health conditions.
